4 EXECUTIVE SUMMARY

Cuber Project Identity will include public information for all partners to be used when attending events, or conferences in general. The Identity will include items such as the project logo, the LinkedIn Group and the public Cuber Website.

Other means, such as Facebook social media and Twitter have been discarded respectively for the lower interest from professional stakeholders and for the high frequency of communication required (daily at least), not compatible with the duration of the project and the frequency of the result generation (monthly at best).

5 PROJECT LOGO

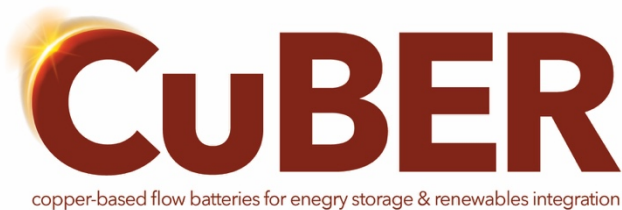

Project Logo has been defined prior to KOM, approved by all Consortium Members and to be used as only Official Logo

Project Logo is available and uploaded in the Fraunhofer-Cuber ownCloud at Workspace/WP8/Deliverables/D8.1/Logo
